Helping People
To Grow Better

Dear friends,

Greetings to All

As secretary of the boards, I am proud to present our annual report for the year 2022. My sincere thanks to Funding agency, Central and state government CSR partners, local leaders, NGOs networking partners, our auditors and our staff.

This report provides an overview of our work in the past year and our financial status. The organisation's mission is to protect and develop the status of the life of the oppressed community particularly women, children, adolescents and senior citizens in the rural area.

We work to achieve this goal by providing training, awareness, and scholarship and infra structure who are in need.

This past year was a busy one for us and made a real difference in the lives of target community, we are looking forward to continuing our work in the years to come.

Thank you for your support, and I hope you will continue to stand with us as we work to make the world a better place for women and children.

Thanking you all!

About Us

In 1991 a small group of young women inspired by the spirit of the Gandhian Bhoodan Movement of the 60's, were encouraged to start WORD - Women's Organisation for Rural Development." They were motivated to address key issues of inequality such as Gender discrimination, which had curbed the progress of women, and caste, which has played an important role in the exclusion and oppression of certain marginalised communities.

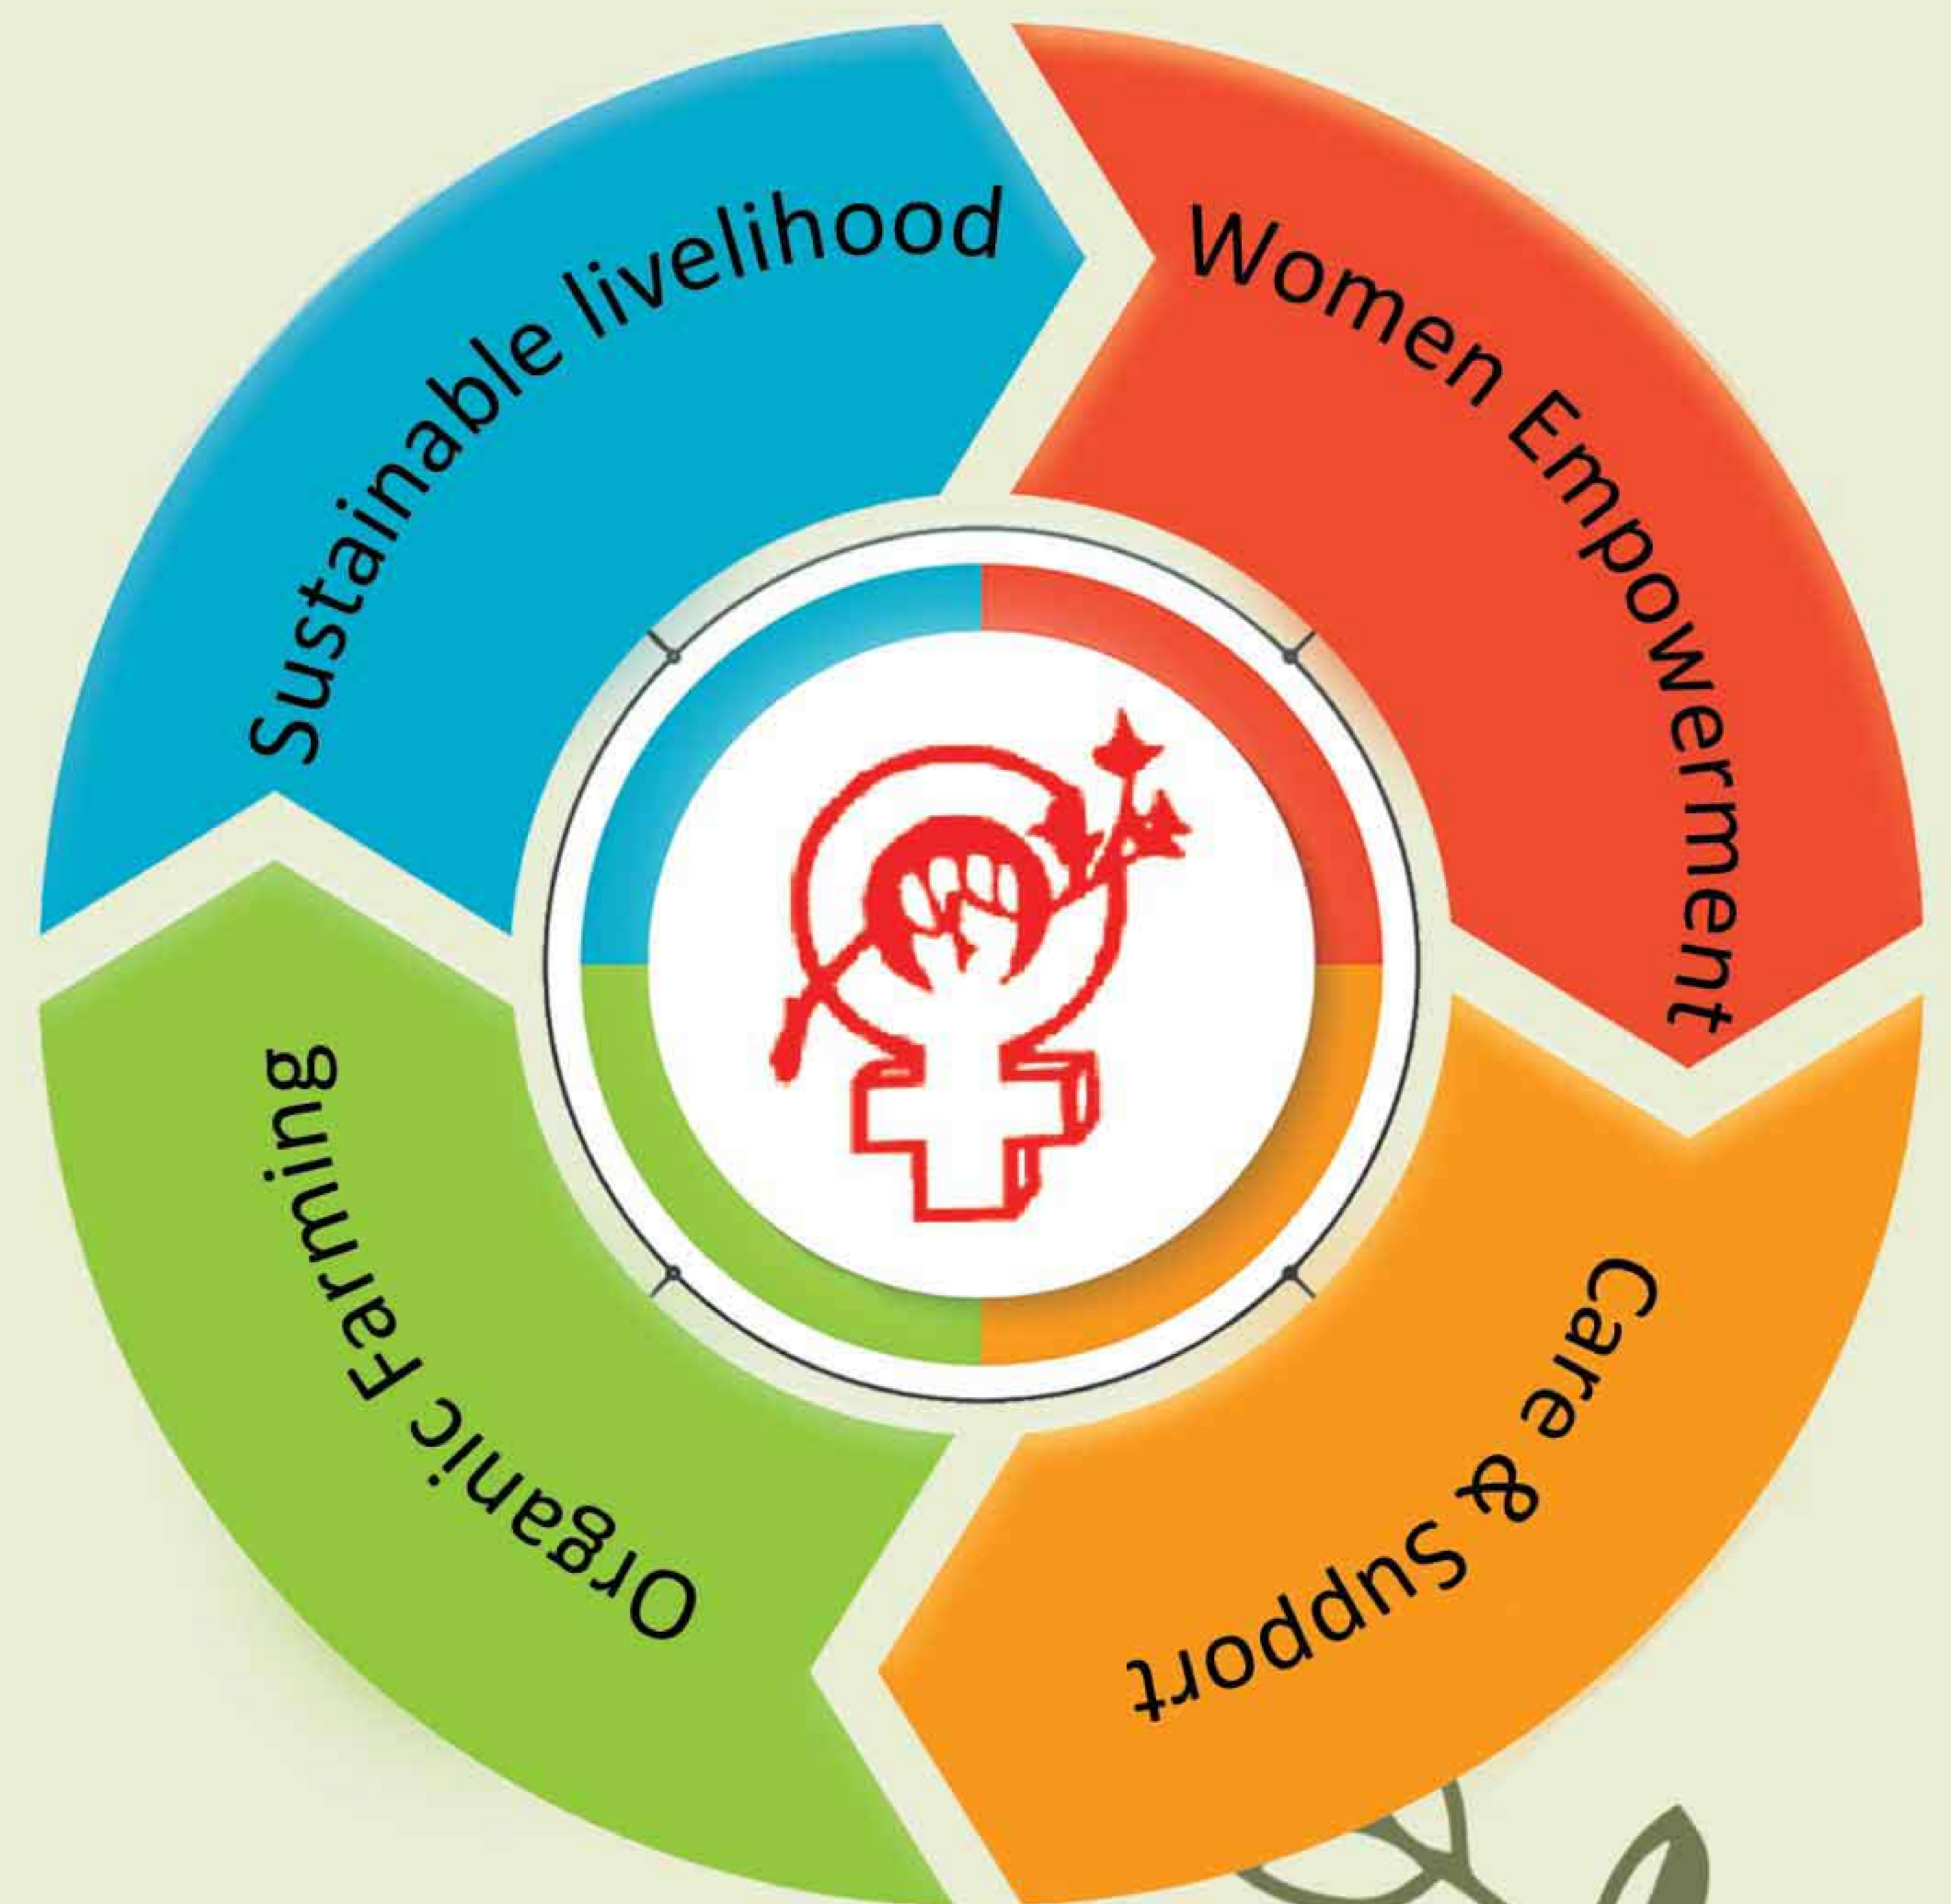

We, at WORD have sought to address the needs of these communities through programmes that focus on education, skill building, livelihood and income generation, environment and issues that impact community health such as water and sanitation and awareness and spread of HIV/AIDS.

Vision

Attaining Socio, Economic, Health, Education, Culture and Environmental developmental of rural poor without any gender disparity.

Mission

- To provide education for underprivileged children.
- To improve socio-cultural status of women.
- To attain women's health rights through training and awareness.
- To bring economic sufficiency and independency through cottage industries and vocational training.
- To encourage women in the protection of livestock and also biodiversity conservation.
- To promote literacy, family life, political and education among rural women.
- Institutional care of abandoned children and senior citizens.
